About

Mark Myers is available to act as a neutral in Mediation involving environmental law disputes, including environmental contribution litigation, implementing complex remedial actions, and Clean Water Act Citizen Suits. Mark also has experience in matters involving geologic movement/landslides, insurance coverage, and toxic tort litigation.

Mark is a Member at Williams Kastner and brings 37+ years of legal experience to the mediation process. Through advising clients in all manner of environmental disputes, Mark is recognized in the legal community as a trusted advisor for his excellent legal representation, trial experience, as well as his calm and sensible demeanor. Mark is a trained mediator having attended The Straus Institute for Dispute Resolution at Pepperdine University School of Law. He is also a certified neutral for the U.S. District Court for the Western District of Washington.

Mark brings a combination of vast legal and court expertise with trained mediation skills to facilitate negotiations and guide parties towards resolution. He is able to identify the factual, equitable, technical, and legal issues that divide parties, while helping parties identify thoughtful and productive solutions based on the unique circumstances of each case.

Services

As each mediation situation is unique and personal, Mark brings a commitment to being prepared to understand the issues most important to the participants to help parties avoid the costs, uncertainties, delays, and risks of going to trial.

- » Mediation involving environmental laws, remedial actions, equitable allocations, sediment cleanups, environmental contribution litigation, Clean Water Act Citizen Suits, insurance coverage, and many other matters over a lengthy legal career.
- » Flexible scheduling to meet the needs of attorneys and their clients
- » Fees: Flat rate (no administrative fees)
- » Complimentary pre-mediation call
